

Coming in March...

Express Videos and DVDs!

What does this mean?

Express Videos & DVDs are the newest and “hottest” releases.

What is different about Express Videos/DVDs?

- 1.** This new category, including both Entertainment and Non-Fiction, will circulate for 3 days only. (The fines on the Express are the same as the regular collection.)
- 2.** They are not renewable and holds cannot be placed on them.
- 3.** All the new releases will be together, in a special Express area.
- 4.** Currently, there is a limit of 2 Express items per patron.

Why Express?

You no longer have to browse the collection if you only want a new release. All our newest DVDs and Videos will be in our special Express Collection.

What Can I Expect?

Because the Express DVDs and Videos cannot be renewed, you can expect to find them on the shelf more often.
