## DOWNLOADING eBOOKS: TO AN IPAD OR IPHONE

1. Search the app store for the OverDrive Media Console App and install the app

2. Tap on the OverDrive icon to open the OverDrive Media Console app.

3. If prompted, Sign in with your Adobe ID or follow the instructions to create an Adobe ID at Adobe.com. If not

prompted, go to Step 4.

4. Click on **Get Books.**

5. Tap **'Add a Library'**

6. Search for **Fairfield Public Library** and tap on the Library name.

This takes you to the Fairfield Public Library's eBook site where you can search for **Adobe EPUB eBooks and MP3 Audiobooks.**

7. To find a title to read now, tap **"Advanced Search"** , tap format for "**All Adobe EPUB titles**", and select button "**Available Now**".

You do not have to enter any terms in the search box. This will show you all of the titles that you can check out right now.

8. Find a title and tap the cover. Then click "Borrow" .

9. Enter your Fairfield Public Library card number and click "Login"

10. Next to the title you will have two choices: Download OR Read (in your browser – see Step 13 .)

11. If you choose Download, select the ePub format: then select "Confirm and Download"

12. Tap on Bookshelf at the top of the page. Tap on your book to read it.

13. If you choose "Read in your Browser. Just tap the book jacket cover and begin reading! In your web browser, select "favorites" and "Add to favorites" The book will be saved in your browser's favorites to be accessed and read any time for 14 days, both offline and online.
