# Minecraft Meet-Up

**2nd & 4th Mondays January - May, 2017**  
**Children's Room, Main Library**

6:30 - 7:30 PM

Do you love Minecraft? Want to meet others who love it just as much? Join us on the **2nd and 4th Monday** of each month when we use the Fairfield County Minecraft server to create a safe and controlled environment for Minecraft enthusiasts. Recommended for children in **grades 3 and up**. Participants must own a Minecraft account, a Fairfield Public Library card, and a parent's permission to play. Caregiver must remain in the Library during the program.

Participants are encouraged to bring their own **laptops**, but the library can lend laptops for the meet-up. *iPads and other tablets do not support the FFLD County Minecraft Server.*

**Dates include: January 23, February 13 & 27, March 27, April 10 & 24, May 8 & 22, 2017 (Note, no meeting March 13)**

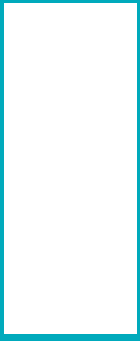

*Please see reverse side of this flyer for more information.*

All programs are free and open to the public. For more information:

# Fairfield County Minecraft Server

## Children's Services

Fairfield County Minecraft Server is a closed community-focused environment for Minecraft players under the age of 18. The server is open 24 hours a day, 7 days a week and is regularly monitored by Librarians from participating libraries to provide a safe and friendly gaming experience. In order to participate, players must PURCHASE their own account and user name on a Mac or PC ONLY.

### HOW TO SIGN UP:

If you are a Fairfield resident, sign up at either Main or Fairfield Woods Branch Library. You will need a parent's permission, your **case-sensitive minecraft user name** and your Fairfield library card. Non-Fairfield residents must sign up at their home town library. Emails are NOT the same as the user name.

### HOW TO ACCESS THE SERVER:

Server Name: Ffld County Minecraft

Server Address: fcminecraft.org

Visit [www.minecraft.net](http://www.minecraft.net) to purchase a \$27 Minecraft account on a PC or MAC. Xbox, Playstation, iOS, and Android versions are not compatible with online servers at this time.
