Milestone and Memorial Gifts
Commemorate the milestones in the lives of people you hold dear. Milestone gifts may be made for any special occasion including births, birthdays, anniversaries, graduations or any cherished event. Gifts in memory of loved ones are wonderful and appropriate tributes. Your gift of $100 or more will ensure the gift of a special collection of books or a film series or educational audiobooks. Your gift will be affixed with a bookplate and the Library will send acknowledgment both to you and to the honoree or family of the person memorialized.

Planned Giving
Consider naming the Library as a beneficiary in your estate planning to support the Fairfield Public Library in perpetuity. This allows you to help ensure that our Library will continue to inspire the lifelong love of reading, provide access to quality and varied collections, enriching programs, and leading-edge technology.

Gift of Securities
Securities are an excellent asset to give to the Library. You receive an income tax deduction for the fair market value of the stock, you may avoid capital gains tax on the sale of the stock, and the stock may avoid estate tax at your death. Gift of Securities may be handled through your financial planner, broker, banker or handled directly by you.

The Annie B. Jennings Society
Predicting the future needs of the Fairfield Public Library is an ambitious project undertaken by the Library Trustees and community leaders who have supported the Library for over 60 years. As a tribute to the vision of these leaders past and present, we have created the Annie B. Jennings Society. Please notify us if you have named the Library in your will or other estate planning document. By doing so, you will become a member of the Annie B. Jennings Society.

Thank you for your support of the Fairfield Public Library!
