

Unattended Adults in Children's Department Policy

Adults may visit the Children's Department only when accompanied by children using this department or when retrieving materials for research or check out.

Unaccompanied adults who are retrieving materials for research or check out may not remain in the Children's Department to review the materials, but instead take them to the adult section of the library to review.

The computer in the Kiwanis Parent-Teacher Room is for use by an adult who is accompanied by a child in the Children's Department.

Unaccompanied adults may be asked by library staff to use the facilities, services, and equipment in the adult section of the library.

This policy reflects the library's concern for the safety of children in the library.

Adopted by the Board of Trustees Fairfield Public Library: December 2019
